

Graphic Designer

Digital Alchemy, Australia's leading Database Marketing Services Provider, is expanding into Asia. We manage marketing databases for large Australian and New Zealand companies, operating in Telecommunications, Insurance and Banking, Automotive and Energy. As part of our team you will be supporting a growing client base in Australia, New Zealand and throughout Asia.

Role & Responsibilities:

Design printed collateral, infographic, art direction, branding, corporate identity, UI for application, design for web and email

- Design printed collateral as well as digital i.e. social media post, sales presentation, email, web banner and landing page
- Guide the art direction, design branding as well as corporate identity
- Turn marketing concept into creative visuals i.e. icons and infographic
- Work with internal and external teams to gather the requirement; develop concept and manage timeline to complete the job

Qualifications:

- 3 to 5 years of experience in print and digital design
- Proficiency with Adobe Creative Suite eg. Photoshop / Illustrator / Indesign as well as MS PowerPoint Presentation
- Able to own and run the projects starting from scratch
- Good command of English, both oral and written
- Able to work under pressure and be multitasker
- Able to work independently while being team player
- Interpersonal skill and able to present the concept and design
